

RON BROWN SCHOLAR PROGRAM

“Politics, life and business are not spectator sports. You have to get involved to get ahead. Most importantly, when you reach that level of success, keep the door open and the ladder down for others to follow.”
—Ronald H. Brown

Application & Information

Our History

Established in 1996 by the CAP Charitable Foundation, the Ron Brown Scholar Program began awarding college scholarships to outstanding African American students to honor the legacy of service of the late Secretary of Commerce Ronald H. Brown. As the first African American to serve in the cabinet as Secretary of Commerce and the first to serve as Chairman of the Democratic National Committee, Ron Brown was a figure of global prominence, respected for his intelligence, political savvy and leadership. In April of 1996, he died in a tragic plane crash during a trade mission to Eastern Europe. Since 1996, the Ron Brown Scholar Program has evolved to provide Scholars with more than just academic opportunities, fostering both the strong commitment of service and dedication to future leadership that Ron Brown helped embody.

The Ron Brown Scholar Program provides Scholars with the financial resources to attend some of the finest colleges and universities in the country. Upon acceptance, Scholars are each awarded \$40,000 (\$10,000 per year for 4 years) that may be used at the college or university of their choice. Acceptance into the Program means Scholars are also provided with the nurturing and mentorship to succeed and flourish in college and beyond.

The Ron Brown Scholar Program has a proven track record of academic success with a 100 percent graduation rate. Graduating Scholars go on to outstanding careers in the arts, sciences and public service, and many more pursue professional degrees in law, medicine and business.

Our Mission

The mission of the Ron Brown Scholar Program is to accelerate the progress of African Americans into the mainstream of leadership in business, education, government and a wide spectrum of professions, while instilling a strong dedication to leadership and public service.

Another major tenet of the program is to create a strong family bond among Scholars and Program staff who provide a network of support and friendship their entire lives. To this end, the Ron Brown Scholar Alumni Association was created in 2001 with the goal of sustaining this connection and fostering continued excellence, leadership and service.

DEADLINE

November 1st — (postmarked) — application will be considered for the Ron Brown Scholar Program and forwarded to a select and limited number of additional colleges and scholarship providers.

January 9th — final postmarked deadline in order to be considered for only the Ron Brown Scholar Program.

Eligibility Requirements

The Ron Brown Scholar Program seeks to identify students who will make significant contributions to society. Applicants must excel academically, show exceptional leadership potential and make an impact on their communities through service to others.

Each year, ten to twenty students are designated Ron Brown Scholars and receive \$10,000 annually for four years, for a total of \$40,000. The recipients may use the need and merit-based scholarships to attend the four-year college or university of their choice. Ron Brown scholarships are not limited to any specific field or career objective and may be used to pursue any academic discipline. More than 280 students have been designated as Ron Brown Scholars since the inception of the Program.

To be eligible, applicants must be U.S. citizens or permanent residents, Black or African American and current high school seniors at the time of their application. **Current college students are not eligible to apply.** Applicants should demonstrate academic achievement, exhibit leadership ability, participate in community service activities and demonstrate financial need.

Ron Brown Scholars are selected in the spring prior to entering college. Applications are screened between November and February by Ron Brown Scholar Program staff. In March, finalists are invited to participate in a weekend selection process in Washington, D.C. at the expense of the Ron Brown Scholar Fund. Finalists are interviewed by members of the Ron Brown Selection Committee and are expected to participate in several Selection Weekend activities. Scholarship winners are selected on the basis of their applications, interviews and participation in Selection Weekend activities.

Due to the volume of applications, the Ron Brown Scholar Program is only able to notify students who move on to the semifinalist and finalist rounds of the competition.

Application Deadline

The Ron Brown Scholar Program currently has two deadlines for applications (students must be current high school seniors at the time of their application):

November 1st (postmarked) — application will be considered for the Ron Brown Scholar Program and forwarded to a select and limited number of additional colleges and scholarship providers. Students must still apply to any colleges or for scholarship programs in which they are interested.

January 9th (postmarked) — final deadline in order to be considered for only the Ron Brown Scholar Program.

Application materials must be mailed in one packet. Transcripts and letters of recommendation should not be sent under separate cover. SAT/ACT scores must be included on the application at the time it is mailed. **Incomplete, e-mailed or faxed applications will not be considered.**

Only semi-finalists and finalists will be notified by the Ron Brown Scholar Program office in March. Winners of the scholarship will be notified by April 1st and names will be posted on the Ron Brown Scholar Program web site, no later than May 1st.

Scholarship Conditions

Ron Brown scholarships may be used to supplement benefits from the college or university a student plans to attend. Students may use the scholarship to cover the costs of tuition, fees, books, room and board, computers, health insurance, study abroad and other college-related expenses.

2. How much financial assistance do Scholar recipients receive?

The Ron Brown Scholar Program awards ten to twenty college scholarships annually in the amount of \$40,000 to extraordinary African American high school seniors. 3. Does the Ron Brown Scholar Program provide financial assistance to undergraduate education only?

Yes, financial assistance is provided only for undergraduate education. However, the Ron Brown Scholar Program strongly supports creating life-long bonds with and between the Scholars and the Program's staff. Scholars do continue to receive mentorship and guidance toward personal and professional goals far beyond their undergraduate careers.

4. When is the deadline for submitting applications?

The Ron Brown Scholar Program currently has two deadlines for applications (students must be current high school seniors at the time of their application): **November 1st AND January 9th** – If January 9th falls on a Saturday or Sunday, your application should be postmarked by the following Monday.

We begin accepting applications after September 1st of your senior year in high school. **Since the postmark is what matters, there is no advantage in sending your application by overnight delivery service.**

5. When are letters of recommendation and school transcripts due? Can they be sent separately from my application?

Application materials **must be mailed in one packet**. Transcripts and letters of recommendation should not be sent under separate cover. **Incomplete, e-mailed or faxed applications will not be considered.**

6. Do my letters of recommendation have to be written by teachers, or can they come from anyone?

We ask for two letters of recommendation. At least one of these should be written by your high school guidance counselor, teacher or principal. The second letter may be submitted by anyone who knows you well and can attest to your character, leadership ability, commitment to community service, or academic achievement. This may include an employer, mentor or coach. It cannot be your mother, father or guardian.

7. What standardized test results are required? How and when do I submit my scores?

We require either SAT (Verbal and Math) or ACT (composite) scores. Results of SAT II (Subject Tests) and AP exams are optional. Record the required scores on page 1 of your application in case they don't appear on your high school transcript. **You should take the SAT I or ACT no later than the November test administration date so that the scores are available when you submit your application or shortly thereafter.**

Frequently Asked Questions (Cont'd)

8. Are there minimum SAT or ACT scores?

No. We do not have cut-off scores. Competition for the scholarship is intense, however, successful applicants have demonstrated a serious commitment to academics. This is reflected in their high grade point averages, rank in class, and test scores.

9. What essays are required? The application says to submit an essay that I wrote for my college applications. What if they didn't require any?

We require 2 essays, each approximately 500 words. In the first essay, we ask that you to answer a specific question. The second essay can be on any topic. If you haven't written one for a college application, you may submit an essay that you wrote for one of your classes, or write a new essay. Keep in mind that the essays are an opportunity for you to tell us something about yourself that we cannot learn from your transcript or test scores.

10. Can I apply on-line?

No. You may print the application from our web site and mail it to us, but it is not possible to apply on-line. If you do print the application from the web site, be sure to print all pages. There are sections for you, your parent/guardian, and high school guidance counselor to complete.

11. Can I fax or email my application?

APPLICATIONS MAY NOT BE FAXED OR EMAILED. Due to the large number of applicants, we are unable to accept faxed or emailed applications.

12. I missed the deadline. Can I still apply?

If you have a legitimate reason, beyond your control, for missing the deadline, you may call to request an extension. Approval must be given by the Ron Brown Scholar Program in order for the deadline to be extended.

13. Do I have to be a U.S. citizen or permanent resident in order to apply for a Ron Brown scholarship?

Yes. You must be a U.S. citizen or permanent resident in order to apply.

14. Is there an income limit?

Financial need is a factor that we consider in awarding scholarships. If you think that you will be eligible for financial aid at the colleges to which you are applying, you should apply for a Ron Brown scholarship.

15. Whose income should be listed if my parents are separated or divorced? If my parents have remarried, do I include my step-parents' income?

In the first stage of the application process, you should list the income of both parents if it is available to you. This should include the non-custodial parent. If a parent's whereabouts is unknown, you should list that on the application. If you are residing with a legal guardian, you should list their income on the application. Should you advance to the next stage, information about your non-custodial parent's income will be requested and will be taken into account in determining financial need.

16. Do you need verification of my parents' income?

The application asks your parents for their adjusted gross income on last year's federal income tax return, that is, the return that they filed when you were a junior in high school. By their signatures, they also agree to provide proof of income, including copies of income tax returns, if required. If you advance to the next stage in the application process and become a semi-finalist, verification of income will be required.

17. Can I use the Ron Brown scholarship at any college and for any major?

The scholarship may be used at any degree-granting four-year college within the United States. Recipients may study any academic discipline of their choice. The scholarship may not be used for vocational or technical training.

18. When are the winners notified? Are applicants who have not won also notified?

Semi-Finalists will be contacted in late February. Finalists will be notified in early March and invited to Washington, D.C. (we pay expenses) to be interviewed by the National Selection Committee. **Because of the large number of applicants, we are not able to notify those who have not reached the semi-finalist or finalist stage. We will post the names of the scholarship winners on our website by May 1st.**

19. Which schools do Ron Brown Scholars attend?

Scholars attend a wide range of schools and are not limited in where they may attend or the discipline they may study. To date, 200 Ron Brown Scholars have graduated from more than 50 different colleges and universities. Fifty-eight percent of Scholars have attended Ivy League universities including Harvard, Yale, and Princeton.
